Assurances of the faith: 1 John 5

notes:

Having faith in Jesus brings us assurance because...

1. Our faith helps us _____ this evil world and brings us _____. (1 John 5:4,18)
2. Our faith brings us _____ life. (1 John 5:13)
3. Our faith _____ us with God through _____. (1 John 5:14-15)

Our faith has three confirmations:

Jesus _____, His _____ and the _____ of the Holy Spirit. (1 John 5:6-12)

Midweek Study

Take a moment to review the Bible verses and message notes from Sunday. What stands out to you as important or helpful as you reflect on those passages and what was said?

In 1 John 5:1 we find two results of the new birth. What are they and how are they related?

According to verse 3, what is love for God?

Why do you believe John used this "definition" of love for God?

What does the word "burdensome" mean to you?

Why is obeying God's commands not burdensome to believers?

Midweek Study Continued...

Have you ever found obeying God burdensome?

Explain the relationship between love and obeying.

During John's time, there was a false teaching that stated Jesus was the Christ only between His baptism and crucifixion. It stated that He was only human until the "Christ" descended upon Him at His baptism. This is one of the false doctrines John warns us about.

Why is this teaching so dangerous?

John states that there are three who testify that Jesus is the Son of God. Who are the three? How does each testify to this truth?

According to verse 9, why should we accept this testimony?

Some might ask how we know this testimony to be true. How does verse 10 answer that question?

So far in John's letter he has talked about false teachings, being led astray and antichrists. From these warnings, it would be easy to begin to doubt one's salvation.

Have you ever faced these doubts?

To address this issue, what assurance does John give us in verses 13-15?

Of all the assurances we have covered in this study: walking in the light, knowing Jesus and His command to live and love as He did, being a part of God's family, and having the Holy Spirit, which one brings you the most comfort and confidence? Explain why.
