Lead Minister

Assurances of the faith: 1 John 4:1-6

notes:

Having the Spirit of God brings assurance because...

1. We are able to \_\_\_\_\_ other spirits.

2. We are able to \_\_\_\_\_ other spirits.

3. We have a \_\_\_\_\_ Spirit living in us.

Midweek Study

Take a moment to review the Bible verses and message notes from Sunday. What stands out to you as important or helpful as you reflect on those passages and what was said?

In 1 John 4:1, John says we are not to believe every spirit. What does he mean by this?

How often are we to "test the spirits" around us and in what ways can we test them?

Midweek Study Continued...

According to verses 2-3 how can we recognize the spirit of God? How can we recognize the spirit of the antichrist?

How do you in your own life, as verse 2 states, "acknowledge that Jesus Christ has come in the flesh"?

According to verse 4, how can we overcome the false teaching of antichrists and the evil around us?

What does the promise in verse 4 mean to you? How have you experienced this truth in your life?

John gives us another test in verses 5-6. What is this test?

John returns to the command to love others in verses 7-2. Why do you think he returns to this topic following the instructions to examine and test other spirits?

According to verses 13-18, what proof do we have of God's love for us? When did you first become aware of this love? What affect did it have on you?

What assurances or challenges in your faith did you find in this chapter?

What do you feel God would want you do as a result of your findings?
