# How's your Soul?

What element does our soul need to be healthy?

- 1. Healthy souls need \_\_\_\_\_.
- 2. Responsibility is not a \_\_\_\_\_, rather it is a \_\_\_\_\_.
- 3. Roles and titles do not define our \_\_\_\_\_.
- 4. Responsibilities are an opportunity to \_\_\_\_\_ others.

## digging deeper

Take a moment to review the Bible verses and message notes from Sunday. What stands out to you as important or helpful as you reflect on those passages and what was said.

What was the first job you held? What did you like about it? What didn't you like about it?

What is the most challenging or difficult responsibility you have ever been entrusted with? Explain why.

### Read 1 Corinthians 12:7-11

How does responsibility and spiritual giftedness relate to each other?

### Read Ephesians 4:11-13

Who's responsibility is it to equip God's people? When is their task complete and what implications does that have for you?

Besides God, where have you turned to find worth in your life?

### Read 2 Corinthians 5:20

What official title does God give to us? What does this title say about our worth?

### Read John 13:1-17

Jesus took the opportunity to serve His disciples by washing their feet. This responsibility was reserved for the lowest slave in the household. On top of that, this service was rarely performed by a Jewish slave. Jesus disregards both of these traditions and washes the disciples feet.

Jesus asks the question, "Do you understand what I have just done?" In your own words, why did Jesus perform this responsibility?

In what ways have you recently served someone else? How did it make you feel?

What is one responsibility you could take this week that would be of service to someone else?

Pray and thank God for loving you and giving you purpose. Invite the Spirit to change your perspective on work and show you the joy in serving others. Ask Him to reveal more ways in which you could be a blessing to others through serving.
