Reflection

What aspects of church do you find uncomfortable? Why?

When you think about your life, what areas of outward appearance do you place too much emphasis on?

Which groups of people do you tend to associate with the most?
How could you be more inclusive and invitational?

What steps can you take to avoid the dangers of gossip in your life?

Have you broken confidences and spoken about people or issues that you didn't have first hand knowledge about? If so, have you gone back to correct those conversations?
