MID-WEEK STUDY

Practice the **S.O.A.P. method** this week before getting into the questions.

S= Scripture

(Read through the scripture, Philippians 3:12-4:1 a couple of times)

O= Observation

(What are some things that stood out to you in this passage?)

A= Application

(In what ways can you apply this scripture and/or the observations to your life?)

P= Prayer

(Spend time in prayer seeking God's will and how He can help you apply these things to your life.)

Questions

What metaphor does Paul use in the beginning of this text?

How does Paul define his goal?

How can we know what God's goal is for us?

Is there a specific goal of maturity God has shown you he has for you right now?

What is one practical thing that helps you keep an eternal mindset when you are tempted to have an earthly one?
