# MID-WEEK STUDY

Practice the **S.O.A.P. method** this week before getting into the questions.

### **S= Scripture**

(Read through the scripture, Philippians 3:12-4:1 a couple of times)

### **O= Observation**

(What are some things that stood out to you in this passage?)

### **A= Application**

(In what ways can you apply this scripture and/or the observations to your life?)

### **P= Prayer**

(Spend time in prayer seeking God's will and how He can help you apply these things to your life.)

### **Questions**

What is the key that Paul gives to his readers for rejoicing always?

What does it mean to pray with thanksgiving?  
What if things are really bad?

What is the hardest thing about consistent Bible reading and prayer for you?

How has reading the Bible daily for yourself impacted your life?
