Notes

Practice the S.O.A.P method this week with Exodus 2:11-15, 3:11-12

S = Scripture (Read through the scripture a few times.)

O = Observation (What are some observations that stuck out to you in this weeks scripture?)

A = Application (How can you apply these observations/scriptures to your life?)

P = Prayer (Spend time in prayer over these passages and ask God to help you apply His truth to your life.)

1. We see Moses make a number of excuses. What excuses have you made when God is calling you to do something?
2. Have you lacked trust and let fear and unbelief lead you? When and how? (Be specific)
3. Did you know that Scripture says that having a lack of faith is sin? Knowing that, does it begin to change how you feel about excuses you’ve made along the way?
4. Remember a time when you felt rejected like Moses did. How did you respond?
5. The Bible is clear about what strong faith looks like. How can you apply those verses to give you comfort and boldness to step into God’s calling on your life?
6. What is one tangible way you can say, “Yes, Lord, here I am, use me.” this week?
